

TESTIMONIAL

Kim has been our Immigration Representative for over the past 10 years. Her support through the complicated web of immigration policy and regulations has helped us expedite the administrative processes thus ensuring that our employees possess the proper documents to legally work in the country.

Kim provides sound advice and excellent guidance in assisting us with the retention of our skilled workforce. She is a true advocate and has been our "voice" before Provincial and Federal immigration officials on more than one occasion.

As a global company we receive requests from facilities at non-traditional hours. Kim is very responsive to our needs and provides us with an excellent level of customer service that is dedicated, consistent and dependable.

In closing, immigration is a complicated process and Kim plays a vital role in ensuring our immigration matters are successfully completed in a timely matter.

Roxanne Rose
Global Vice President of Human Resources
